

Blackstone Valley Dressage & Combined Training Assoc.

BVDCTA Membership Application – 2010

Mission Statement: The **BVDCTA** mission is to educate and inspire riders of all disciplines and all levels about dressage and combined training by providing the Blackstone Valley and Central Massachusetts community with shows and clinics. Events are not held at one specific location, but are held throughout the Blackstone Valley to benefit riders throughout different regions of Massachusetts and Rhode Island. We hope to provide something of interest for all of our members and the local equestrian community.

How it all Began - Club History: BVDCTA was established by a small group that initially met on a local Equestrian site BB in January 2008. This group recognized there was a lack of coordinated events for dressage and combined training within the Blackstone Valley and Central Massachusetts and Rhode Island areas. After a lot of hard work, we held 2 successful 2-Phases, a Tack Sales and a few Clinics! We are established as an official Non-Profit organization in MA and have plans in the works for a successful and fun 2010 season.

Membership Benefits: All members will receive a free subscription to Massachusetts Horse magazine, discounts on all BVDCTA sponsored shows and clinics, and access to our monthly meetings and the opportunity to vote on matters pertaining to club business.

Membership Fees:	Juniors Members (under 18)	\$25.00
	Adult Members (over 18)	\$30.00
	Family Membership (not to exceed 4 family members)	\$40.00
